

ICC AND FERC OVERSEE THE ENTIRE PROCESS

# 2007 and Beyond

- Utility supplied power will be obtained from wholesale market through declining price auction.
- Customer choice of suppliers still in effect.
- Public utility is provider-of-last-resort
- Generation, transmission and distribution costs appear as separate charges on customer bills

Through Public Utility (IDC)

Winning, Low Bidders: \$\$/mw

2nd Round of Bids: \$\$\$/mw

1st Round of Bids: \$\$\$\$/mw
