**Smart thermostat must be ENERGY STAR certified, internet-enabled, and have learning-capable features. Home's primary heating source must be supplied by Ameren Illinois, gas or electric. Thermostat rebates can only be offered while funds are available and may be suspended at any time. Call or see website to confirm funds availability and eligibility details. Limit two rebates per household. In order to be eligible for more than one thermostat incentive, each thermostat must be connected to a separate, Ameren-sourced heating system.*
