

Avoid Getting Scammed.

Don't believe callers demanding immediate payment over the phone and threatening to shut off your power.

Be cautious.

If someone calls or visits you and asks for a pre-paid money card, debit card or banking information, *do not trust them.*

Be aware.

You will receive disconnect notices from us before we ever call. We don't *demand* immediate payment over the phone.

Take action.

If a call is suspicious, check your billing information 24/7 through your **AmerenMissouri.com** online account.
