

## Illinois CPWG Change Request

This Illinois CPWG Change Request can be found on the Illinois CPWG website at <http://www.choiceinillinois.com>

<b>Requester's Name:</b> Michael Vogelsang	<b>Requester's Organization:</b> ComEd	<b>Phone #:</b> 630-684-2808
<b>Date of Request:</b> 3/11/2010	<b>Affected EDI Transaction Set #(s):</b> 867 – MU	<b>E-Mail Address:</b> Michael.Vogelsang@ComEd.com
<b>Requested Implementation Date:</b> 12/1/2010	<b>Status:</b>	
<b>Requested Priority:</b> (emergency/high/low/project): Low	<b>If Priority is "Project" then specify Project Name:</b>	

**Brief Explanation** (This will be copied into the description in the Change Control Summary Spreadsheet):

Add codes for customer reads

**Detailed Explanation** (Exactly what change is required? To which Illinois CPWG Standards? Why?):

ComEd allows certain residential customers to read their own meters. In ComEd's billing system, the reads show up as 'Customer' instead of Actual or Estimated. In order for the RES's to present the bill the same way that ComEd does, ComEd will need to pass codes on the 867. Proposed new codes in addition to those already allowed:

MEA01

Code Beginning/Ending reads

AC – Actual/Customer  
CA – Customer/Actual  
EC – Estimated/Customer  
CE – Customer/Estimated  
CC – Customer/Customer

A separate change request will be made for the 810.
