

# Oracle UPK - Supplier View

## User Productivity Kit Overview

*This document is confidential and is intended  
solely for the use and information of Ameren*

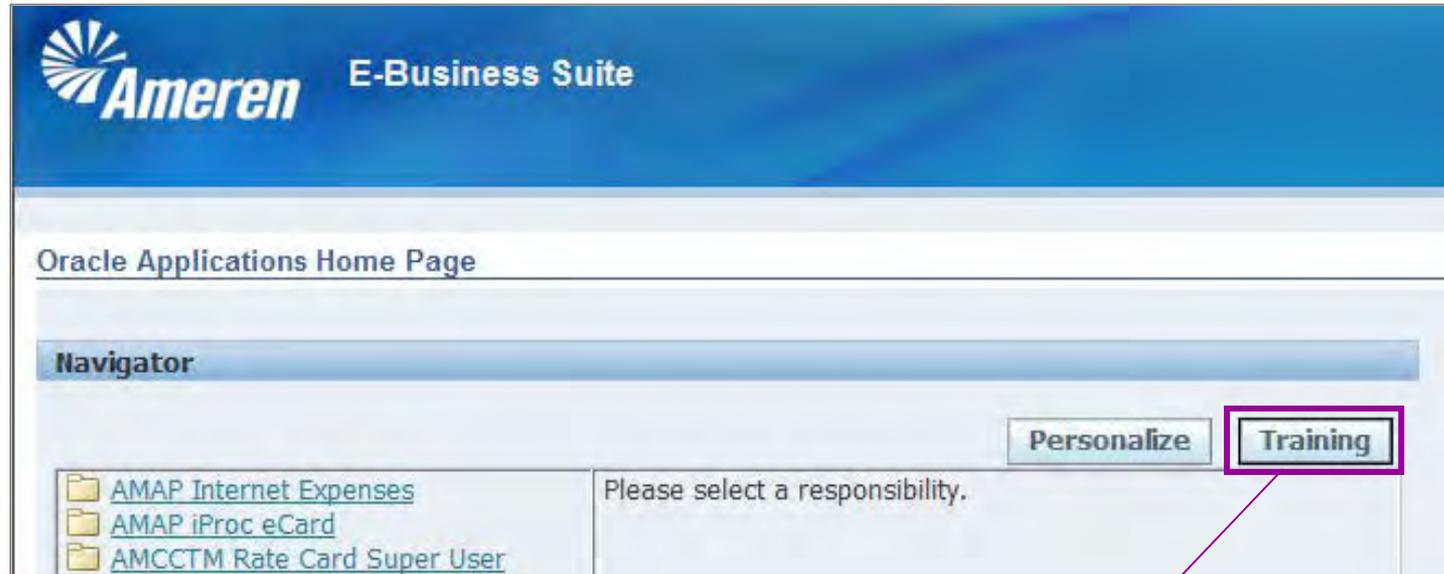

*Revised 03/04/10*

## UPK- What is it?

---

- A synchronized content platform for creating documentation, training, and process support.
- Content is made available through a player.
- Player
  - **See It! Mode** enables a user to learn by watching an animated demonstration of the steps for a task being performed in a simulated environment. All required activities (mouse click, data entry) are completed automatically.
  - **Try It! Mode** enables a user to learn interactively in a simulated environment. The user is prompted for mouse clicks and/or data entry to complete the task.
  - **Do It! Mode** will eventually guide you as you perform the selected task in the live application. If you choose this from the player, you can scroll freely through topic frames.

# Find UPK Topics

On your **Oracle Applications Home Page** click the **Training** button.

\* A new window will open.

## Find UPK Topics (Cont.)

Sound playback requires the use of Adobe Flash Player 9.0.124 or higher.

You can install or update your version of the free Flash Player by [downloading here](#).

Or

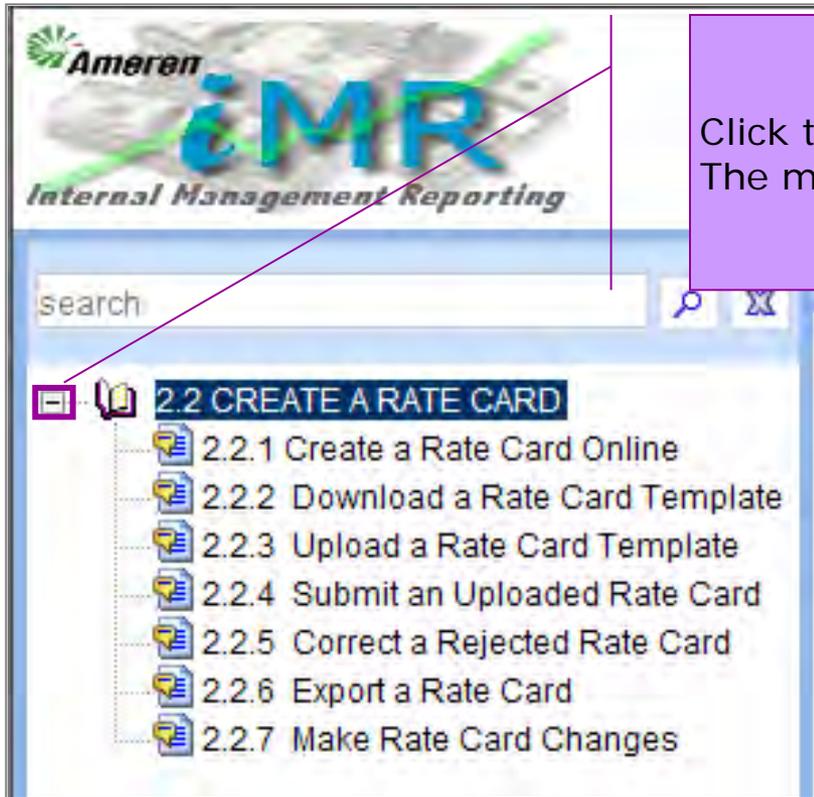

You can play content without sound by clicking [here](#).

Please restart the topic after performing one of the above tasks.

If you get an **Adobe Flash Player** message you can **download the update** or you can **play content without sound**.

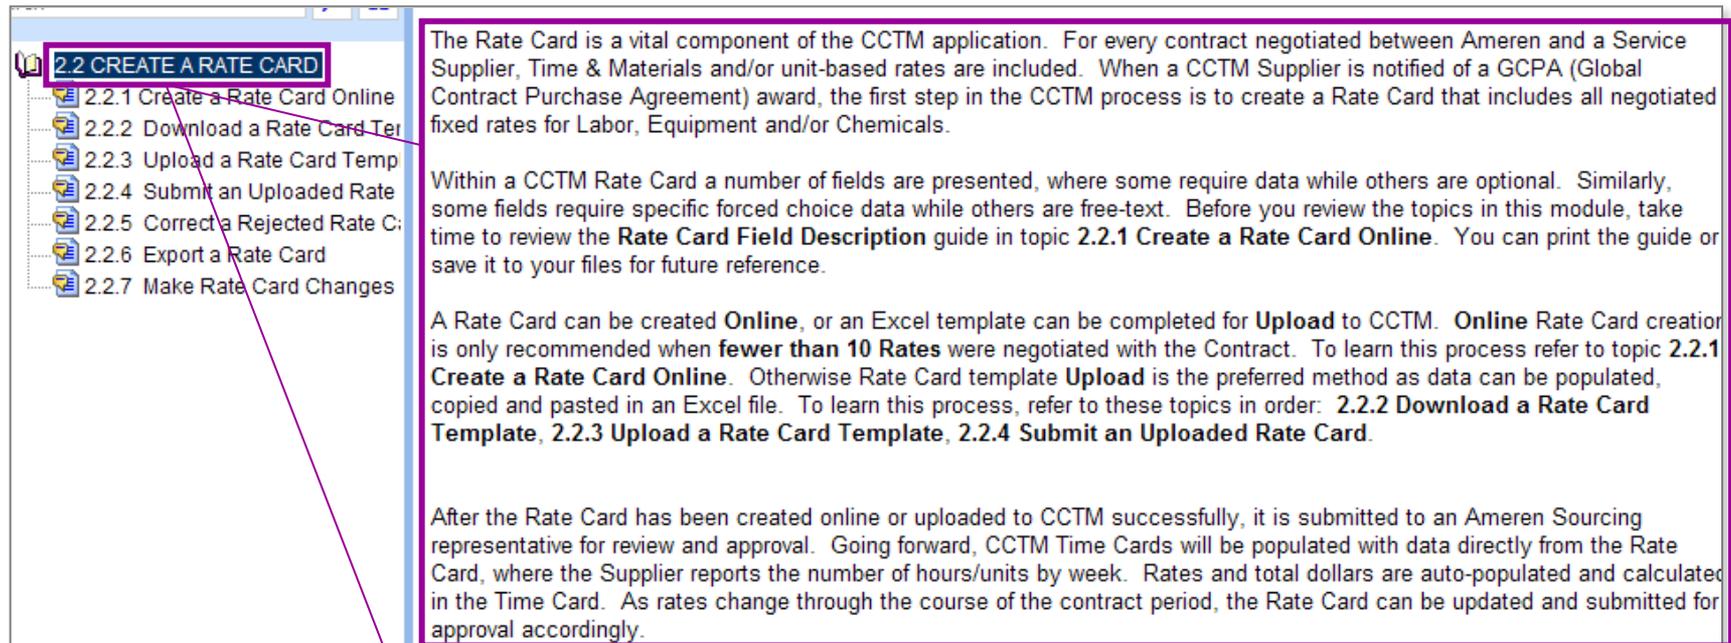

\* Topics were created without sound.

## Open UPK Topics (Cont.)

Click the + next to **2.2 Create a Rate CARD**.  
The module will expand to display 7 **Topics**.

# View UPK Module Introduction Window

**2.2 CREATE A RATE CARD**

- 2.2.1 Create a Rate Card Online
- 2.2.2 Download a Rate Card Template
- 2.2.3 Upload a Rate Card Template
- 2.2.4 Submit an Uploaded Rate Card
- 2.2.5 Correct a Rejected Rate Card
- 2.2.6 Export a Rate Card
- 2.2.7 Make Rate Card Changes

The Rate Card is a vital component of the CCTM application. For every contract negotiated between Ameren and a Service Supplier, Time & Materials and/or unit-based rates are included. When a CCTM Supplier is notified of a GCPA (Global Contract Purchase Agreement) award, the first step in the CCTM process is to create a Rate Card that includes all negotiated fixed rates for Labor, Equipment and/or Chemicals.

Within a CCTM Rate Card a number of fields are presented, where some require data while others are optional. Similarly, some fields require specific forced choice data while others are free-text. Before you review the topics in this module, take time to review the **Rate Card Field Description** guide in topic **2.2.1 Create a Rate Card Online**. You can print the guide or save it to your files for future reference.

A Rate Card can be created **Online**, or an Excel template can be completed for **Upload** to CCTM. **Online** Rate Card creation is only recommended when **fewer than 10 Rates** were negotiated with the Contract. To learn this process refer to topic **2.2.1 Create a Rate Card Online**. Otherwise Rate Card template **Upload** is the preferred method as data can be populated, copied and pasted in an Excel file. To learn this process, refer to these topics in order: **2.2.2 Download a Rate Card Template**, **2.2.3 Upload a Rate Card Template**, **2.2.4 Submit an Uploaded Rate Card**.

After the Rate Card has been created online or uploaded to CCTM successfully, it is submitted to an Ameren Sourcing representative for review and approval. Going forward, CCTM Time Cards will be populated with data directly from the Rate Card, where the Supplier reports the number of hours/units by week. Rates and total dollars are auto-populated and calculated in the Time Card. As rates change through the course of the contract period, the Rate Card can be updated and submitted for approval accordingly.

Click on the Module title **2.2 Create a Rate Card**. The page will refresh to display text to the right – An Introduction to CCTM Rate Cards.

**\* Read the Introduction thoroughly before viewing Topics.**

# View UPK Topics

The screenshot displays the Amaren eMR Internal Management Reporting interface. On the left, a search bar is visible above a tree view containing the following items:

- 2.2 CREATE A RATE CARD
  - 2.2.1 Create a Rate Card Online** (highlighted)
  - 2.2.2 Download a Rate Card Template
  - 2.2.3 Upload a Rate Card Template
  - 2.2.4 Submit an Uploaded Rate Card
  - 2.2.5 Correct a Rejected Rate Card
  - 2.2.6 Export a Rate Card
  - 2.2.7 Make Rate Card Changes

The main content area features a toolbar with the following buttons: 'See It!', 'Try It!', 'Know It?' (crossed out), 'Do It!', and 'Print It!'. Below the toolbar is a document viewer showing a 'CCTM Supplier Rate Card' with an 'Online example:' section. The document content includes a table with columns: 'Select', 'Draft Type', 'Draft', 'Draft Code Class', 'Local', 'Worktype', 'Rate Type', 'Rate (\$)', 'UOM', 'Effective From', and 'Effective To'.

Click on the **Topic title** you would like to review. The page will refresh and **Mode buttons** will appear to the right. A **document image** may appear in the window below.

\* **Know It?** mode will not be used.

\* You can **print** the **reference** document or **save** it to your files.

# See It! Mode

Ameren CCTM

Rate Cards in Pending Submission Stage

Rate Card Number	OU Name	Rev Num	Contract Number	Supplier Name	Effective From
------------------	---------	---------	-----------------	---------------	----------------

See It! Actions X

To create a Rate Card online, click **CCTM Create Rate Card**.

Pause

You learn by **watching** - steps are completed automatically in a **simulated environment**.

- \* You can **Pause** to review a frame at your own pace.
- \* You cannot go **back** to a previous frame.
- \* Press your **Esc** key to exit the exercise.

# Try It! Mode

You progress through frames by **performing the action** indicated in the text bubble.

- \* You can review each frame at your own pace.
- \* You cannot go **back** to a previous frame.
- \* Press your **Esc** key to exit the exercise.

# Do It! Mode

The screenshot shows a 'Do It!' window with a yellow header and a blue navigation bar. The header contains the text 'To create a Rate Card online, click CCTM Create Rate Card.' The navigation bar has three items: 'CCTM File Upload Status', 'CCTM Create Rate Card' (highlighted with a red box), and 'CCTM Craft Code Class'. Below the navigation bar is a table with columns: Rev Num, Contract Number, Supplier Name, Effective From, Effective To, Status, and Rate By/.

Rev Num	Contract Number	Supplier Name	Effective From	Effective To	Status	Rate By/
---------	-----------------	---------------	----------------	--------------	--------	----------

You view frames in a small **separate window** with content at the top and the **Action** highlighted in the screenshot below.

\* You can scroll freely through frames **forward or back**.

\* You can **view** this window while you **work in the system**.
