# Cut Energy Costs. Stay Comfortable. Weatherize Today!

Stop wasting energy through hidden air leaks and poor insulation. Take advantage of new incentives for weatherization and seal your building for year-round comfort and savings. We offer incentives for:

- **Exterior Air Sealing** – Cracks, penetrations, outlet gaskets and doors.
- **Insulation** – Attic, above-ground walls and duct insulation.
- **Duct Sealing** – Keep conditioned air where it belongs.
- **Gap Sealers** – For room air conditioners and more.

✓ Energy savings    ✓ Improved indoor comfort    ✓ Reduced drafts and noise

To learn more about incentives for weatherization, visit
