

Energy Efficiency
PROGRAM

UPGRADE NOW, SAVE LATER!

Now is the time to upgrade your aging HVAC system before the summer heat. Take advantage of new financial incentives to make your upgrades more affordable!

NEW INCENTIVES FOR:

- Central air conditioners
- HVAC tune-ups
- Commercial water heaters
- Advanced rooftop controls
- HVAC controls
- And more!

To learn more about available HVAC incentives, scan the QR code or visit AmerenIllinoisSavings.com/HVAC.

Energy Efficiency
PROGRAM

LAST CALL FOR 15% MORE!

Complete your energy-saving project by March 31 to automatically receive 15% more incentive dollars with the **Early Completion Bonus**.

Missed the deadline? Don't worry – you can still receive 10% more incentive dollars for projects completed by June 30.

“We’re a non-profit organization, and most of our services are provided free of charge. We would never have been able to do this project without the incentives from Ameren Illinois.”

— Michael Dill,
East Side Health District

The Early Completion Bonus applies to most standard applications. To see what qualifies, scan the QR code or visit AmerenIllinoisSavings.com/Bonus.
