

**RIDER QF – QUALIFYING FACILITIES  
ELECTRIC SERVICE AGREEMENT**

(Not applicable to a Qualifying Solid Waste to Energy Facility)

This (Agreement) is made this \_\_\_ day of \_\_\_\_\_, \_\_\_ by and between the Ameren Illinois Company, its successors and assigns, hereinafter called “Company” and \_\_\_\_\_ hereinafter called “Customer”.

**WITNESSETH**

WHEREAS, Company operates an electric utility in transmitting and distributing electricity at retail within designated areas of the State of Illinois;

WHEREAS, Customer operates its electric generating facilities in parallel with Company’s electric system pursuant to an agreement dated \_\_\_\_\_;

WHEREAS, Customer has received certification from the Federal Energy Regulatory Commission (“FERC”) that Customer’s electric generating facilities are “Qualifying Facilities” (“QF”) under the Public Utility Regulatory Policy Act (“PURPA”) and Customer has provided a copy of the QF certification to Company;

NOW, THEREFORE, the parties hereto agree as follows:

1. Customer shall meet all of the applicable requirements of 83 Illinois Administrative Code Part 430, the Company’s Standards & Qualifications for Electric Service and the Company’s “Rider QF – Qualifying Facilities” on file with the Illinois Commerce Commission (“ICC”).
2. Service hereunder is subject to the Customer Terms and Conditions, Standards and Qualifications for Electric Service, Tax Additions, and Supplemental Customer Charge Tariffs, as well as any other applicable Rates, Riders, taxes, adjustments, fees or charges that may be approved by the ICC from time to time and the following further conditions.
3. Customer’s electrical generating facilities subject to this Agreement are located at (ADDRESS). The combined nameplate rating of the generating facilities subject to this agreement is (NAMEPLATE RATING).
4. This Agreement will become effective upon the next regularly scheduled meter reading except as noted:
5. The initial term of this Agreement shall be one (1) year and shall remain in affect thereafter until cancelled by either Company or Customer on 90 days written notice.
6. Customer shall elect one of the following compensation options as specified in Company’s current Rider QF on file with the ICC. Hourly Prices will be used if no election is made. Customer elects to be compensated by:  
Initial One  
\_\_\_\_\_**Hourly Prices** (MISO day-ahead locational marginal prices at the MISO Delivery Point)  
\_\_\_\_\_**Fixed Prices** (as provided for in Company’s Rider QF Informational Filing as amended from time to time)
7. Regardless of the method of compensation selected, prices will reflect the delivery voltage that Customer receives service from Company which is: (SECONDARY/PRIMARY/HIGH) Voltage.

8. Payments by Company to Customer will be as a monetary credit to any bill due to the Company for service supplied in the same month to the Customer under the Company's electric Rates and Riders. During any month when payments by Company under Rider QF exceeds Customer's bill for service used and any unpaid balance, Company will issue payment to Customer in the form of a check.
9. Company shall have the right to terminate electric service or require Customer to immediately disconnect the parallel generating facilities without advance notice or liability to Company if, in Company's sole reasonable judgment and discretion, (a) continued electrical generation by Customer may be dangerous to life, limb, or property or jeopardizes operation of Company's system; (b) if there are replacements of Customer's electric generating facilities or significant alterations to them; (c) if failure of Customer's electric generating facilities will cause disturbance to the Company's electric system; (d) if Customer's generating facilities cause any significant electrical problem with any other Company customer(s); or (e) if Customer violates any material term or condition of this Agreement or any material provision of 83 Illinois Administrative Code Part 430.
10. Notices and other communications regarding this Agreement shall be addressed to:
