Now is the time to schedule your FREE Home Energy Assessment!

Why do you need a FREE Home Energy Assessment?

- » You can **SAVE** money by learning where your home is losing hot air to keep it warm in the winter and cold air to keep it cool in the summer.
- » You can get **FREE** installation of products that save you money like LED lightbulbs, advanced power strips for small appliances, smart thermostats and more.
- » You can get **DISCOUNTS** for home projects that help keep your home insulated like an updated heating and cooling system.

Just like the price of meat at the market has gone up, so has the price of energy to heat and cool your home. We're here to help you find ways to save and getting a FREE Home Energy Assessment is the first step!

To get started with saving on your monthly costs to heat and cool your home, fill out an application by scanning the QR code TODAY or visit AmerenIllinoisSavings.com/SaveMoney. You can also call us at **1.866.838.6918** and speak to a Home Energy Specialist.
