The 2022 Ameren Illinois Business Symposium

19
OCTOBER
2022

Join us for the Ameren Illinois Business Symposium happening **IN PERSON** at the Crown Plaza in Springfield, IL.

Business Symposium is a **FREE** educational event to connect with trusted energy professionals as your business or organization learns about the latest energy efficiency technologies and gains additional financial incentives to move your energy efficiency projects to completion.

Registration opens in August.

**ENERGY EFFICIENCY
PROGRAM**

WAYS TO SAVE

We've seen a global increase in the price of purchasing natural gas and electricity to heat, cool and power your homes and businesses. These costs are transferred from Ameren Illinois, dollar for dollar, to you at no additional mark-up. With these cost increases in mind, our goal is to ensure you receive the most cost-effective energy supply by offering you various opportunities to save on your energy expenses.

SMALL BUSINESS

Big savings are available for small businesses including increased energy efficiency incentives.

INSTANT INCENTIVES

Receive upfront, instant savings for LED Lighting, smart thermostats, notched v-belts, central air conditioners, heat pump water heaters and ducted air source heat pumps. No application necessary!

CUSTOM INCENTIVES

With increases in Custom Gas Incentives, you'll save on Custom Gas projects unique to your business.

EARLY COMPLETION BONUS & MADE IN ILLINOIS BONUS

ECB: Complete eligible projects early in the year to receive additional incentives for your projects.

MIIB: Receive an extra 5% in incentive dollars just by installing energy-efficient equipment that's made in Illinois.

BUSINESS ONLINE STORE

Get instant savings on smart thermostats, LED light bulbs, advanced power strips and more!

PUBLIC SECTOR

Local, state and federal governments save on energy costs by incorporating energy efficiency products and projects in their municipality buildings, civic centers, public libraries, water treatment plants, park districts, as well as within their police and fire department buildings.

To find incentives, bonuses and tips for saving on energy expenses, visit AmerenIllinoisSavings.com/WaysToSave or call **1.866.800.0747**.
