

DO YOU HAVE AN EMERGENCY KIT?

Weather can be unpredictable in Illinois so it's always a good idea to be prepared for emergencies that may result in an extended outage. Make sure you are prepared and stock the following supplies in an easily accessible kit:

- Emergency phone numbers
- Flashlights
- Batteries
- Battery-powered radio
- Bottled water
- Non-perishable foods that don't require heating
- Blankets, bedding or sleeping bags
- First-aid kit, medications and household bleach
- Plastic utensils and paper plates
- Hand-operated can opener
- Screwdriver, scissors, duct tape, waterproof matches
- Ice cooler for temporary food or medication storage
- Identification and copies of important family documents in waterproof storage container or covering
- Other items needed for infants, elderly or family with special needs
- Cash
