0723

Apply for a Custom incentive and submit multiple projects on one application! This is a great way to bundle projects and limit paperwork. Don't wait, these increased incentives are available until funds expire or Dec. 15, 2023 — whichever comes first.

Examples of Custom projects include:

Compressed Air

Large HVAC

New Construction (excludes lighting)

Combined Heat and Power

Waste Heat Recovery for Fuel-Fired Furnaces

Reduced Radiation Loss From Heating Equipment
