

DO YOU KNOW YOUR ELECTRIC SUPPLY RATE?

Most residents get their electric supply through –

- Agreement negotiated by their local municipality
- Ameren Illinois Basic Generation Service

From **June 1-September 30, 2024**, Ameren Illinois Basic Generation Service is 8.136 cents per kWh, which is shown as \$0.08136 on your bill.

We encourage you to know your supplier and supply rate as shown on your Ameren Illinois bill and compare it with the rate listed above.
