

Application for an Ameren Missouri Permit Transfer

Date: _____

Union Electric Company (d/b/a Ameren Missouri) is authorized by Article 419 of its license from the Federal Energy Regulatory Commission to issue permits for use and occupancy of project lands and waters. Existing permits issued to a property must be transferred to subsequent owners. Permits remain with the property. Dock permits do not move with the dock. Any changes to a structure having an existing permit requires modification approval. A separate application must be submitted to Ameren Missouri for a modification permit. Prior to completing this form, applicants are encouraged to review Ameren Missouri's Shoreline Management Plan, specifically Appendix B (permit requirements). This information is available at Ameren Missouri's Shoreline Management Office or online at: www.amerenmissouri.com/lake. Please complete all items below. **If necessary information and/or the appropriate fee(s) are not provided, the application cannot be processed, nor can a permit transfer be issued.**

In further consideration of issuance of the permit(s) hereunder and to secure Applicant's obligations to abide by the conditions of the permit(s), Applicant grants to Ameren Missouri a continuing first priority security interest in and to the structure(s) authorized hereunder ("Collateral"), under the Uniform Commercial Code as in force in Missouri under Sections 400.9-101 et seq. of the Missouri Revised Statutes ("UCC"). Ameren Missouri may, at its option, execute and file a UCC-1 Statement for filing to perfect or maintain a security interest in the Collateral. Such security interest shall further secure the reasonable expenses, including, without limitation, attorneys' fees, taxes or other charges, incurred by Ameren Missouri with respect to the Collateral or pursuant to the exercise of Ameren Missouri's rights under this permit and the UCC. Upon any default in Applicant's obligations hereunder, Ameren Missouri shall have all of the rights and remedies of a secured party under the UCC, including, without limitation, the right to remove, sell or otherwise dispose of the Collateral. The permittee represents and agrees that (a) this Application and any Permit(s) issued hereunder each constitute a security agreement, (b) Applicant has title to the Collateral, and (c) value has been given in exchange for this grant of a security interest.

I/we hereby certify that the above information provided is complete, accurate, and complies with Ameren Missouri permit guidelines in effect at the time of application for a permit.
