Light Shield – Shield Back and Side (CUL\_DE\_SAC)

Light Shield – Shield House or Back

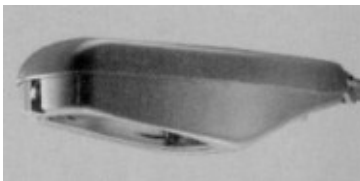

Note: Order light shield if there is a complaint of light trespass. Stock #3851675 (block back and side) and stock #3851676 (block back or house) are setup for "J" series LED. The "J" series LED is labeled with additional identification decal "J" next to the wattage decal shown above. Stock #3851635 and #3851636 work only on LED without identification decal "J" LED.
