

RELY ON AMEREN MISSOURI TO HELP YOU GROW YOUR BUSINESS

Speed to market and reduced risks and costs are important to your new business development project. Ameren Missouri's Economic Development Team delivers collaborative expertise and customized solutions including site and infrastructure planning and favorable economic development energy incentives for qualifying customers.

You can count on us for affordable, reliable and resilient energy throughout our service area.

Competitive Incentives and Rates

Growing customers may qualify for our Economic Development Energy Incentive. It's one of the nation's most competitive discounts from base electric rates that are already below Midwest and national averages.

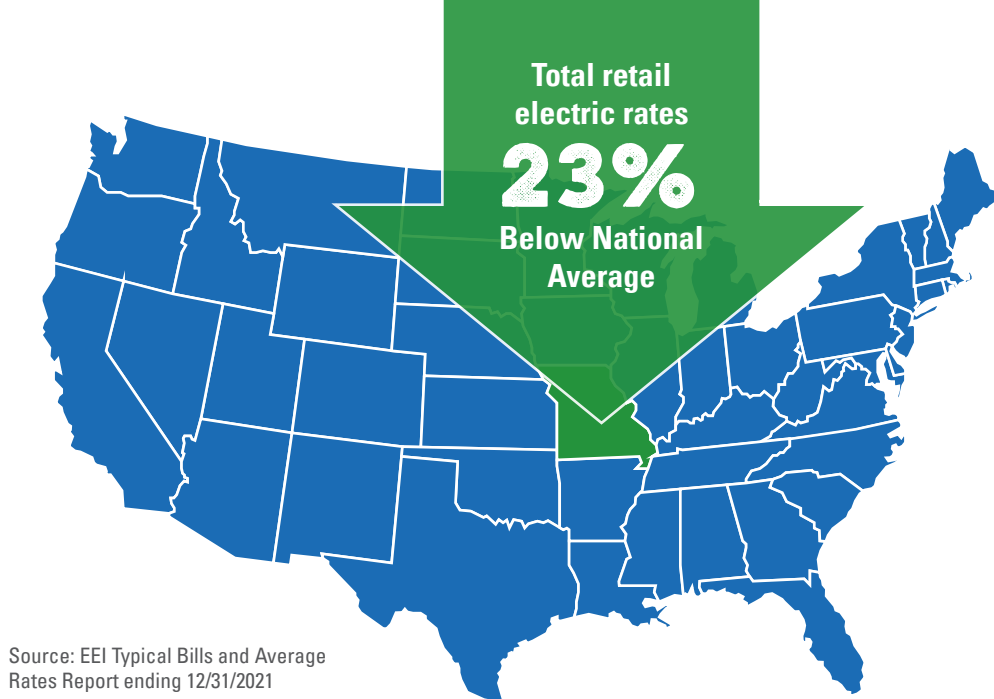

Service Reliability and Resiliency

You can plan for reliable energy today and tomorrow. Through our Smart Energy Plan, we're investing \$8.4 billion to harden and upgrade electric grid infrastructure from 2022 to 2026.

Clean Energy

We're committed to environmental stewardship, sustainable growth and governance. And we're accelerating our transition to a cleaner and more diverse portfolio by adding solar, wind, natural gas and hydroelectric capacity.

Targeting Substantial Reductions in Carbon Emissions (From 2005 levels)

60%

Reduction by 2030

85%

Reduction by 2040

NET-ZERO

Carbon Emissions by 2045

By the Numbers:

Top quartile for electric distribution reliability

\$8.4B

In infrastructure investments by 2026

10.8K MW

Generating capacity

More Opportunities to Save Money and Energy
