Keeping Current Program

October 14, 2021

What is Keeping Current?

Program Objectives

- Improve affordability
- Improve health and safety
- Work with agencies that serve low-income households
- Provide linkages to LIHEAP and weatherization

Eligibility

- The increase to 200% FPL is only through the end of the year (12/30/21)

Benefits

- **Monthly Bill Credits:** cover part of the electric bill each month
- **Budget Billing:** provides predictable monthly bill
- **Arrearage Forgiveness:** reduces debt with each on-time payment

Positive Outcomes of Keeping Current

Bill Payment

- Regular and timely bill payment
- Often through arrearage reduction

Usage Stabilization

- Maintain ties between bill and usage

Usage Reduction

- Conservation incentive bonus
- Requirement for energy efficiency participation

Candidates for Keeping Current

Who can Participate in Keeping Current?

- Residential customers recommended by a participating Keeping Current agency
- Ameren Missouri Electric Customers (gas only customers aren't eligible)
- Customers with income 200% or less of the Federal Poverty Level

How does Keeping Current work?

- Customers make an initial payment of 1/12th of total unpaid account balance
 - Diversion Charges and Returned Check Charges must be paid before a customer can enroll in Keeping Current
- Customers are placed on Budget Billing
- Ameren Missouri will provide a monthly bill credit of \$35 to \$90 for 24 months.
- The customer's past due amount is eliminated over a 12 month period

How does Keeping Current work?

What are the requirements for Keeping Current Agencies

- Agencies are required to recommend that customers:
 - ✓ Apply for LIHEAP Apply for the Missouri Low Income Home Weatherization Program.
 - ✓ Offer Pick A Due Date at the time of the application
- Customers are required to:
 - ✓ Maintain on-time payments of the balance due each month

Keeping Current and Budget Billing

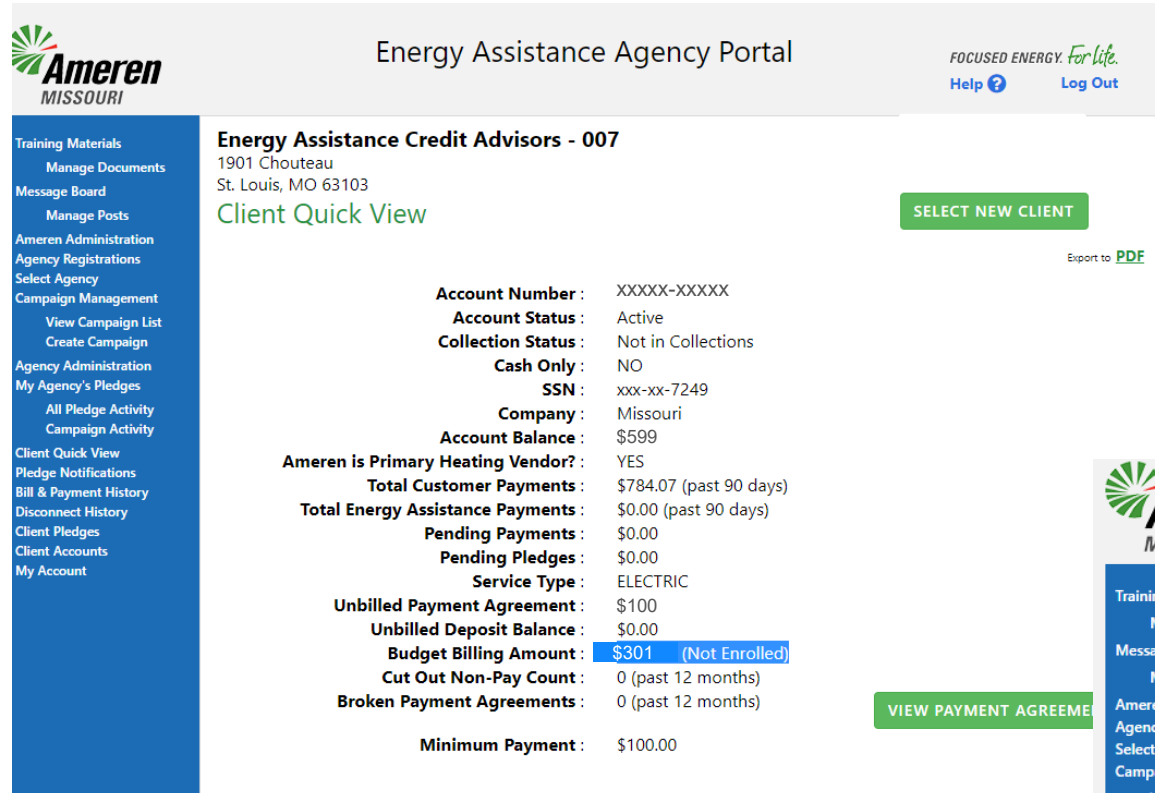

The budget billing amount is reviewed every 12 months for customers on Keeping Current

Customers are encouraged to review their usage, budget ahead and budget behind amount. A change to the monthly Budget Billing amount could affect the amount due each month.

Keeping Current:

Key Notes:

- *Timely payments are key to success!
 - *Pick a Due Date is a great option and should always be offered with Keeping Current!
 - *Payments are to the penny, the amount has to be in full.
- *Consider Heating Source!
 - *Use of an alternative heat source may impact Keeping Current credit.
 - *The Weatherization program is a great way for a customer to reduce usage.
- *Budget Billing is based on the customer's usage.
 - *Remind customers they are eligible for LIHEAP-EA funds.
 - *Keeping Current should not be used to avoid disconnection; helps manage bills and make bill more affordable.
 - *Only available once in a 12 month period.
 - *If there are returned payments the agency may have to call in to get assistance with determining the down payment.

Final notes

Next Steps

Development of a new formalized guidance to help agencies:

- Get the most out of the portal's functionality
- Offer support in training new agency users
- Have immediate needs met by having a Keeping Current Program reference on hand

Gentle Reminder:

All energy assistance programs are treated the same.

- Processing time cannot be avoided
- No special extensions are being offered at this time

Keeping Cool Brochure

Keeping Cool

Help with your energy bill during the warm months.

This energy assistance program provides a monthly electric bill credit of \$25 in the months of June, July and August — so you can stay cool and safe during summer heat waves.

Are you eligible?

- To learn more about the program and apply, please contact your nearest Keeping Current agency. For a list of agencies, please visit [AmerenMissouri.com/KeepingCool](https://www.amerenmissouri.com/KeepingCool) or call Ameren Missouri at **1.800.552.7583**.
- A monthly bill credit of \$25 during June, July and August helps reduce the total amount owed each month.
- Now through December 2021, your income must be at or below 250% of the Federal Poverty Level and one of your household members must be a senior citizen (age 60 and over), disabled, chronically ill or a child (age 5 or younger).
- You cannot participate in both Keeping Current and Keeping Cool at the same time.
- You must apply for the Low Income Home Energy Assistance Program (LIHEAP) and weatherization services.
- You must have an active account in your name.
- Learn about other health and safety options such as Caring Contacts and the Medical Equipment Registry at [AmerenMissouri.com/HealthAndSafety](https://www.amerenmissouri.com/HealthAndSafety)
