

# Ameren Missouri Pay As You Save Program

Rebates valid between January 1 and December 31, 2025.

Pay As You Save Rebate Measures	Rebate
<b>Heating and Cooling Rebates*</b>	
Mini split Air Conditioner or Heat Pump (Early Replacement or Replace on Fail) - 19+ SEER2	\$500 per ton
ASHP Dual fuel (Early Replacement or Replace on Fail) - ENERGY STAR 15.2+ SEER2	\$2,000 per system
Central Air Conditioner replacing Central Air Conditioner - ENERGY STAR 15.2+ SEER2	\$1,000 per system
Central Air Conditioner (no existing central system) - ENERGY STAR 15.2+ SEER2	\$1,000 per system
Air Source Heat Pump Replacing Air Source Heat Pump (Early Replacement or Replace on Fail) - ENERGY STAR 15.2+ SEER2	\$2,000 per system
Air Source Heat Pump replacing electric resistance (Early Replacement or Replace on Fail) - ENERGY STAR 15.2+ SEER2	\$2,000 per system
Air Source Heat Pump (no existing central system) - ENERGY STAR 15.2+ SEER2	\$2,000 per system
Ground Source Heat Pump replacing Ground Source Heat Pump (Early Replacement or Replace on Fail) - 23+ EER	\$5,000 per system
Ground Source Heat Pump replacing Central Air Conditioner and electric resistance (Early Replacement or Replace on Fail) - 23+ EER	\$5,000 per system
Smart Thermostat – including installation cost	\$250 per thermostat

<b>Air Sealing Rebates*</b>	
Air Sealing (Infiltration reduction) - 30% SF IE DI electric furnace base	\$0.06 per sq ft
Air Sealing (Infiltration reduction) - 30% SF IE DI Gas furnace base	\$0.06 per sq ft
Air Sealing (Infiltration reduction) - 30% SF IE DI Gas furnace base - AMO Split	\$0.06 per sq ft
Air Sealing (Infiltration reduction) - 30% SF IE DI heat pump base	\$0.06 per sq ft

<b>Ceiling/Attic Insulation Rebates*</b>	
Ceiling Insulation R11-R49 SF IE DI electric furnace base	\$0.20 per sq ft
Ceiling Insulation R11-R49 SF IE DI gas heat electric cool base	\$0.20 per sq ft
Ceiling Insulation R11-R49 SF IE DI gas heat electric cool base - AMO Split	\$0.20 per sq ft
Ceiling Insulation R11-R49 SF IE DI heat pump base	\$0.20 per sq ft
Ceiling Insulation R5-R38 SF IE DI electric furnace base	\$0.20 per sq ft
Ceiling Insulation R5-R38 SF IE DI gas heat electric cool base	\$0.20 per sq ft
Ceiling Insulation R5-R38 SF IE DI gas heat electric cool base - AMO Split	\$0.20 per sq ft
Ceiling Insulation R5-R38 SF IE DI heat pump base	\$0.20 per sq ft

<b>Duct Insulation/Repair Rebates*</b>	
Duct Insulation - Electric Heating	50% of cost up to \$250 per house
Duct Insulation - Gas Heating	50% of cost up to \$250 per house
Duct Repair (Sealing) - Electric Heating SF	50% of cost up to \$250 per house
Duct Repair (Sealing) - Gas Heating SF	50% of cost up to \$250 per house

\*To be eligible for HVAC or weatherization rebates you must participate in tier 4 of the PAYS program. Rebates will reduce the total cost of the upgrades.
