
RATE GDS-1 – RESIDENTIAL GAS DELIVERY SERVICE

AVAILABILITY

- * 1. Service under this Rate is available for any eligible Residential Customer, as determined by the Company, within the territory served by Company under this Schedule where gas used at Customer's Premises is for predominantly residential household purposes, meeting the following criteria:
 - * a. A dwelling of one or two units receiving gas service through a single meter and where each unit is used as a residence, or a dwelling of two or more units where each unit is receiving gas service through a separate meter and each unit is used as a residence.
 - b. Homes that are served by a single meter where usage is a combination of home and farm use. Usage shall be limited to service within the residence on the farm and that required for all general farming and agricultural purposes conducted on the premises served. Where separate meters are required to supply other operations, each additional meter shall be billed under the applicable Non-Residential rate.
 - c. Recreation facilities consisting of summer cottages, homes, trailers or boat slips where service is individually metered and intended for continuous use by the same single family.
- 2. Service under this Rate is not available to Customers when gas would be used at Customer's Premises for predominately Non-Residential purposes. Structures which are not considered Residential include, but are not limited to, the following:
 - a. Multiple-occupancy club houses, recreational lodges, sorority or fraternity houses, dormitories, assisted living residences or other buildings used for group living or similar activities, where individual units are typically not metered separately.
 - b. A residence or dwelling unit whose occupants are expected to be transient in nature.
