

UNION ELECTRIC COMPANY GAS SERVICE

Applying to MISSOURI SERVICE AREA

XIII. Integrity of Service

A. Detrimental Customer Loads

The Company will not render service to any customer for the operation of any devices that have a detrimental effect upon the service rendered to other customers.

B. Intermittent or Fluctuating Customer Loads

Where the customer's use of service is intermittent or subject to extreme fluctuation, the Company reserves the right to require the customer to furnish at his own expense suitable equipment to reasonably limit such intermittence or fluctuation.

C. Installation of Corrective Equipment by Company

Where corrective equipment facilities are installed by Company on its distribution system to correct any of the aforesaid objectionable conditions, customer will be required to pay to Company without refund, the installed cost of such corrective equipment or facilities and any subsequent replacements thereof, which shall remain the property of the Company.

XIV. Regulatory Authorities

The rates, riders, rules and regulations contained herein have been filed with and approved by the Missouri Public Service Commission and are subject to change or modification to conform to any change made by Company when approved or ordered by the Commission. Where specific situations are not addressed by Company's rates, riders, rules and regulations, the applicable Commission rules set forth in 4CSR, Sections 240-2 through 240-40 shall apply. Company may make written application to the Commission to seek the approval of a waiver of any specified portion of these filed tariffs for good cause shown.
